

## MD. ASHFAQ HOSAIN RAFI

+8801632809434; Banasree, Rampura, Dhaka-1219

[ashfaqhosainrafi2@gmail.com](mailto:ashfaqhosainrafi2@gmail.com)

### OBJECTIVE

I have two years of experience as a full-time Software Engineer at EZ Printers UK, working remotely.

### PROFESSIONAL EXPERIENCE

**Software Engineer (Frontend Developer)**

July, 2022 – August, 2024

EZ Printers UK ([www.ezprinters.co.uk](http://www.ezprinters.co.uk))

I specialize in front-end website development. I am actively expanding my knowledge in backend development as well. Some of the tasks that I have completed are as follows:

- Developed a dynamic and visually engaging website for ([www.i-cakes.co.uk](http://www.i-cakes.co.uk))  
here is my work -> ([www.newtheme.i-cakes.co.uk](http://www.newtheme.i-cakes.co.uk))
- Designed and developed a straightforward and intuitive website for ([www.cafelavista.uk](http://www.cafelavista.uk))
- Developed a website featuring a robust admin panel for efficient management and offering a wide range of functionalities and tools to manage and control ([www.bogramotor.co.uk](http://www.bogramotor.co.uk))

All of these websites are fully functional and optimized (responsive) for use across desktop computers, mobile devices (such as smartphones), and tablets (like iPads)

### SKILLS

- **Comfortable:** JavaScript, ReactJS, Tailwind CSS, HTML, CSS
- **Familiar:** TypeScript, React Native, ES6, Vanilla JS, MySQL, Php
- **Tools:** Visual Studio Code, Adobe Photoshop, MS Word, MS PowerPoint

### EDUCATION

**Computer Science & Engineering, Bachelor of Science**

September 2018 – April 2024

Ahsanullah University of Science and Technology ([www.aust.edu](http://www.aust.edu))

***Thesis:*** An Approach to Detect Cardiomegaly, COVID-19, Pneumonia, Pneumothorax and Tuberculosis from CXR Images Using Ensembles of Deep Learning

**Semester Projects:**

- **Hawkeye arrow** – A 2D game, where the goal is to kill the monster and reach the final boss using **c++**
- **Weekend Music store** – An online E-commerce store with user login system and admin panel using **javafx**
- **Quick Food** – A food delivery app using **javafx**
- **Hospital Management System** – Distributed database for hospital management system to send the patient to the nearest hospital using **java, Netbeans & MySQL**
- **Authenticating Handwritten Bengali Signatures with Deep Learning** – Detecting a signature is forged or genuine.

**Higher Secondary Certificate Examination**

May 2015 – June 2017

Adamjee Cantonment College ([www.acc.edu.bd](http://www.acc.edu.bd))

**Secondary School Certificate Examination**

January 2005 – April 2015

Ideal School and College ([www.iscm.edu.bd](http://www.iscm.edu.bd))

## **ACTIVITIES AND INTEREST**

- I am passionate about exploring innovative design concepts
- I am enthusiastic about continuously expanding my knowledge and skills
- I enjoy enriching my mind with self-help books
- I prioritize my health by maintaining a regular gym, meditation and swimming
- Lifetime member of ACC IT CLUB
