Career Objective

Seeking an opportunity to apply my knowledge of web administration acquired during my diploma, to ensure the smooth operation and security of IT systems within an organization. Want to establish myself as a Sr. Web Administrator within 4-5 years.

Experience

Jr. Web Developer (Laravel)

Mowla Mohammad & Co.

March 01, 2024 – Present

At Mowla Mohammad & Co., I contribute to the development, deployment, and maintenance of Laravel-based websites. My role involves troubleshooting and enhancing website functionalities across various project categories, including job portals, property listings, e-commerce platforms, agency sites, and ads placement systems.
